VILLAGE OF GLEN ELLYN LAUNCHES PAPERLESS BILLING OPTION

Glen Ellyn, IL – Beginning September 1, 2016, Village of Glen Ellyn residents and businesses will have the option to enroll in paperless billing for their Village services bill. Customers who register for this paperless option will no longer receive a paper copy of their bill in the mail.

“We are excited to launch this new service,” said Christina Coyle, Finance Director for the Village of Glen Ellyn. “This new option for customers allows them to make payments easier, save time and money and help the Village in their efforts to go green.”

To enroll, visit the Village’s website at www.glenellyn.org/Billing/UtilitiesServicesBill.html. It is easy, secure and takes just a few minutes to fill out the email authorization form. Customers will need a copy of their paper bill, an email address and a computer with internet access. Once enrolled, an email alert will be sent when the bill is ready to login and view.

Participation in the paperless billing is voluntary. Those who do not register will continue to receive a paper copy of their water bill through the mail. Interested applicants should note that authorization must be received before the 25th of the month. If the form is completed after the 25th of the month, the next bill will be mailed and the following bill will start paperless.

About the Village of Glen Ellyn

Located just 23 miles west of Chicago, the Village of Glen Ellyn, Illinois offers big city amenities with a small town feel. A historic downtown filled with unique shops, restaurants and seasonal events is just one of many attributes that draw visitors to this award-winning community. Small-town charm, civic pride, friendly people and some of the best schools in the state make Glen Ellyn the perfect place to call home.
