ACCESS TO DOWNTOWN GLEN ELLYN PUBLIC PARKING TO CHANGE

Glen Ellyn, IL – Residents and visitors to downtown Glen Ellyn will notice a few changes in access to public parking lots in the Village's downtown district.

Beginning Wednesday, March 22, the public parking lot at the former Schmid Pharmacy building will no longer be available for public parking. Due to a change in ownership and the pending opening of Two Hound Red Brew Pub at that location, the parking lot, located at 486 Pennsylvania at the intersection of Pennsylvania and Glenwood, will no longer serve as a public lot.

In close proximity, the McChesney Lot, located at the northwest corner of Crescent and Glenwood will now serve as free, three hour customer parking to patrons of downtown Glen Ellyn. The Village has entered into an agreement with the current owner of the former McChesney and Miller Grocery store as the development team for that property works to prepare redevelopment plans. This parking lot is available to downtown patrons until further notice.

For further help in navigating where to park in downtown Glen Ellyn, patrons can access interactive downtown parking maps on the Village's website at www.glenellyn.org. The maps can be found under "Online Services" by selecting "Maps". Aside from customer parking, the maps also indicate commuter parking options and downtown employee parking options. Please note the parking maps may not reflect the short term, temporary parking arrangements mentioned above.
