FIRST ENERGY NOTICE TO RESIDENTS

Glen Ellyn, IL – As of recent, the Village of Glen Ellyn has received a number of calls from residents concerned about a letter from FirstEnergy that was sent to all residents enrolled in the municipal electric aggregation program.

The Village wants to assure residents that they need not be concerned. Under the contract, the letter is a required annual mailing that informs residents that 100 percent Green-e Renewable Energy Certificates (RECs) were purchased on their behalf. By purchasing and pairing RECs with electricity service, residents are using and receiving the benefits of that renewable electricity.

Please note that no further action is needed. For more information on the electric aggregation program, visit the Village's website at <http://www.glenellyn.org/Web/MunicipalElectricAggregation.html> or call 630-469-5000 with further questions.
