

PARKING WAIT LIST APPLICATION

APPLICATION INFORMATION:

The Village of Glen Ellyn offers commuter and merchant permit parking. The Cashier's Office maintains a wait list for residents within the corporate boundaries of the Village only. The wait list is first come first serve. The current wait is 24 months to 3 years for the first available spot. Spaces become available only when current permit holders do not renew their permit. This can make estimating a wait time difficult since we do not know how many people will relinquish their parking space. All of our lots are over sold by a percentage that is dictated by the police department. If you choose to relinquish your parking permit you are removed from our parking database. Should you desire another parking permit in the future you will be required to complete a new parking wait list application and the current applicable wait times will apply.
