April is here and so is Ladies Night Out! We have moved it to Friday night, April 29th, and empowered it with Spark Energy! With 20 participating businesses and a great shopping promotion, Ladies Night Out is a night NOT to be missed.

Tickets are \$10 (\$15 night of event) and can be bought at downtownglenellyn.com or in person at Paisley on Main (494 N. Main) and Renaissance Art Studio (481 N. Main). Where is your first stop? Young's Appliances, where you pick up your wristband, FREE tote bag (while supplies last) and map for evening.

Enjoy the shopping promotion. Spend \$50 in any shop and receive a \$10 coupon for a future purchase. Find the perfect gift. Mother's Day, Father's Day, teacher gifts and graduations are reasons just around the corner. Buy them, have them wrapped, take the task of your to do list. Then, come back and purchase that perfect spring top that your closet is missing!

For extra shopping power tonight, bring your ComEd bill and find out about switching to Spark Energy, Spark Energy bills through ComEd – same service, same billing, just a different supplier of the power itself. Residents can save up to 16% over ComEd. You lock in their rate for 12 months and there's no transfer fee or penalty for breaking your contract.

Should you choose to make the switch tonight, you will receive an extra bonus...\$20 gift card in Downtown Glen Ellyn!

Bistro Monet (462 N. Park Blvd.) has the perfect bite to eat before the event begins. Make it the meeting point for friends. Enjoy \$4 cocktails and appetizers and then head out for the night. Done shopping? Compare your finds at Tap House Grill or Cab's Bistro for LIVE music at the After Party.

Or, you can shop 'til you drop and then come on over to Glen Oak Restaurant for our homemade daily specials, homemade soups, nearly 20 delicious salads, and much more to choose from. We also have a full bar! Try our now famous 479 Martini, or maybe an Appletini, glass of wine or even a beer. We'll be open until 10:30 pm on Ladies night out. The night has something for all.

The sun is making a stronger appearance everyday and our shops are filled with the latest in spring and summer fashion. Come enjoy a day of shopping in our town....Downtown Glen Ellyn!
