VILLAGE OF GLEN ELLYN

Commercial Façade Improvement Grant Program

As of 5/01/12

Purpose

The Village of Glen Ellyn recognizes the positive impact that individual facade improvements can have on the overall appearance, quality and vitality of the Village's commercial districts. The Commercial Façade Improvement Grant Program was created to facilitate the private sector in making these desired exterior improvements. The Village Board reserves the sole right to amend, modify, add, or delete any part or subpart of this program.

Assistance Available

Approved projects are eligible to receive reimbursement after project completion in the form of a matching grant of up to 50 percent of the actual improvement costs up to a maximum grant of \$15,000.

Eligibility Requirements

Existing structures currently zoned commercial and in current commercial use or planned for commercial use within the corporate limits of the Village of Glen Ellyn are eligible for the grant. The exterior of the property must meet all Village of Glen Ellyn Codes and Ordinances. In the event that a violation is present, correction of the violation must be made prior to disbursement of grant monies.

Eligible applicants include the owner of a commercial building or the owner of a commercial business. All applications must be signed by the property owner to indicate consent for the proposed improvements.

All grant recipients are required to publicly display the Village of Glen Ellyn Grant Award Certificate in a conspicuous location in the building for a period of one year from the date grant funds are dispersed.

Financial assistance is available to business owners or property owners, for no more than \$15,000 every 3 years, per building.

The determination of eligibility and priority for assistance is at the discretion of the Village Board and is subject to funds availability. The Village Board may approve grants of less than a 50% match.

Eligible Improvements

The primary goal of the Village of Glen Ellyn Commercial Façade Improvement Grant Program is to achieve significant visual improvements in commercial facade appearance. Improvements that otherwise would be substantially difficult to undertake "but for" the grant assistance may be looked at more favorably. The determination of eligibility and priority for assistance is at the discretion of the Village Board.

Work which qualifies for assistance includes improvements to the exterior of a building which are visible from the public right-of-way. Applicants must plan to install at least \$1,000 of material improvements (excluding installation) to qualify. Work must be completed within one year of receiving the grant award. The list of qualifying exterior improvements appears below.

- Significant Facade repair and treatment
- New window systems or frame replacement and repair (excluding broken glass)

Written requests for time extensions can be considered by the Planning and Development Director.
